Dear Parents,

We are counting the days as we eagerly await the beginning of the Camp Gan Israel Eight Day Overnight 5782/2022. We are sure that your child will have a great Jewish camping experience in a warm and caring environment. Please review the following important information. We look forward to welcoming your child and treating him to a summer he will long remember.

He can be brought to camp on Tuesday, August 15th at 2:00 pm and picked up on Tuesday August 23rd at 1:00 pm.

Facilities

The program will take full advantage of the excellent facilities of the Boy Scout Camp, which features a beautiful lake for boating, swimming and water sports. There are nature trails, recreational areas for sports, campfire sites, rifle ranges, archery, horseback riding and more.

Staff

The camp schedule will incorporate all the best features of Gan Israel which you and your child have come to love. Your son will be under the careful supervision of Rabbi Binyomin Scheiman, Rabbi Michael Lipskier and staff who will teach your son the values of yiddishkeit and what it means to be a chassid while teaching him self-confidence and independence as he spends eight days away from home.

Electronics

We ask the campers not to bring any, ipods, **cell phones**, etc. to camp. These items will be confiscated until the end of camp. Camp is a time to be focused on team work and creative activity. Camp cannot be responsible for the loss or damage of any of these items. Your support in this matter would be greatly appreciated.
